NEW BATTERY POWERED MINI CLEANER

AVAILABLE AUTUMN 2020

The Mini Cleaner is now available as a cordless, battery powered model. It makes quick work of cleaning, descaling, root removal, cutting, reinstatements & brush coating in DN32 - DN70 pipes.

Now even easier to transport and operate regardless of power outlet locations or availability.

NEW GROUNDBREAKING EXPANSION MINI CLEANER

- > Also available as an upgrade for your existing Mini Cleaner

SPECIALLY DESIGNED FOR PLUMBERS

The ideal high-speed (up to 2100 rpm) drain cleaning solution for all types of DN32 - DN70 pipes, including those with multiple 90° bends and tricky u-bends. Whichever model you choose, the Picote Mini Cleaner not only eliminates the need for you to carry a hand-held or floor-mounted drum machine, it reduces risk with its unique flexible outer casing, safety clutch and shielded operator foot pedal. In addition, it provides a quick and efficient cleaning of blocked drains, without the need for excessive water to be added to already flooded systems.

Uses & Benefits

- > High speed cleaning (500 to 2100 recommended rpm) of DN32, DN40, DN50 & DN70 pipes, even with multiple 90° bends.
- > Clear blockages up to DN100 without removing the toilet.
- > Features 16m of uniquely designed outer casing and highly flexible shaft that is very durable, chemically resistant and with a high continuous service temperature.

SIGNIFICANTLY SAFER FOR OPERATORS

- > Customised Safety Clutch as standard. Protects the user and equipment, as well as improving performance.
- > 16m of 8mm rotating shaft, housed inside specialised outer casing that is safe to hold.
- > Shielded foot pedal (operator presence control), so you can hold the shaft with both hands.
- > Lightweight and portable, with wheels and stair glides for easy transportation.

HOUSE CALLS

Perfect for house calls, the Mini Cleaner is portable and lightweight. Transit wheels and handle for ease of transportation. Clean those smaller kitchen and bathroom lines from DN32 up to DN70.

COMMERCIAL

The Mini Cleaner is very handy at commercial sites, for example at restaurants or public amenities. It can clear blockages up to DN100 without removing the toilet and restore flow fast without disrupting the day to day running of the business.

GET AROUND P-TRAPS WITH PICOTE

The highly flexible shaft of the Mini Cleaner allows you to navigate tricky 2" p-traps and multiple 90° bends, so you can easily get to where you need to work.

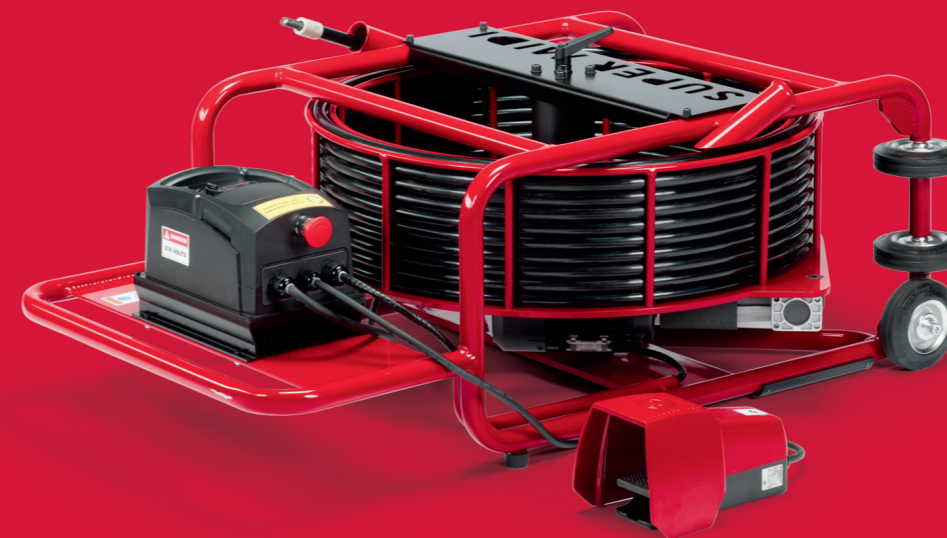

TAKE CONTROL AT THE JOBSITE

PUMP UP YOUR MINI CLEANER

Add a Mini Coating Pump to your Mini Cleaner to offer Picote Brush Coating™ using our dual-colour 100% Solids Epoxy in easy no-mess cartridges. For a variety of uses including providing a corrosion barrier. Build up multiple layers to offer a semi-structural pipe. Training with certification available.

WITH YOUR CHOICE
OF MINI CLEANER
PACKAGE**

The Mini Cleaner starter packages come complete with the necessary tooling for your DN32 to DN40 pipe cleaning needs, including:

Cleaning Chains, Smart Cutter™ with Cleaning Panels and Cleaning Brushes.

Additional tooling is available for DN50 & DN70 pipes and for specialty jobs, including:

Special Drill Heads (for cutting through blockages), Cleaning Brushes, Cleaning Chains, Cutters and the Mini Smart Sweeper and an additional Front Drill Head for removing hard scale deposits. The Twister Mini Flexi is also available and is ideal for reinstatements

Ask your Reseller about all available tooling options.

Cleaning Package

Selection of additional tooling

PICOTE WILL DRIVE YOU AROUND THE BEND

The Mini Cleaner has unique and very flexible shaft which easily navigates multiple 90° bends, even in DN32 pipes!

THE RIGHT TOOLS FOR THE JOB

Smart Cutter™

For descaling and general cleaning. Also for smoothing down connections after reinstatements.

Cleaning Chain or Brush

For descaling and general cleaning. Cleaning Brushes are suitable for very fragile pipes.

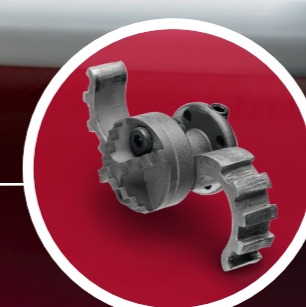

Front Drill Head

For removing hard scale deposits. Add to the Mini Sweeper.

Special Drill Head

For cutting through blockages and for reinstatements.

Mini Smart Sweeper

For removing hard scale or breaking up FOG's from inside the pipe.

Twister Mini Flexi

Open lateral connections fast, even through p-traps. Available for DN50 or DN70 pipes.
